## Membership

First and foremost, members of CEI can find satisfaction in knowing that they are part of an organization that is dedicated to preserving a quality natural environment for all people in perpetuity. Our members can feel good knowing that their contributions help to maintain our nature center and our educational programming for adults and children. We couldn't do what we do without them!

**Membership also entitles you to:**

- An invitation to our annual meeting at the Nature Center, featuring food, drinks, and a guest speaker
- Free canoe and snowshoe rental
- Free admission to nature center programs
- Discounted screen room rental
- Discounted nature center rental

## How To Join

There are two types of memberships: individual and organization sponsors. All contributions are tax deductible.

Choose the level you wish to contribute on the application form found on the adjacent panel. Then send the completed form, along with your contribution, to the CEI treasurer:
